Canada & New England

Experience rich history and iconic Eastern seaboard towns sailing Canada & New England with Princess®. Choose from 7, 10 or 14-day voyages aboard Majestic Princess® or Sapphire Princess® and discover why we were awarded the #1 Cruise Line in the U.S. and Canada by *Cruise Critic*.

Quaint seaside towns: Experience life by the sea at its best. Immerse yourself in the local vibe with refreshing sea breezes, picturesque seaside towns and stunning coastal lighthouses. For Anne of Green Gables fans, Charlottetown is a reader's paradise. Make a day of it in Québec City, as you roam narrow cobbled lanes and venture into Château Frontenac – a National Historical Site.

Iconic departures: From Boston Harbor to the skyscrapers of the Big Apple and the famed Chateau Frontenac, imagine the thrill and sights as you sail from legendary cites like Boston, New York and Québec City.

History abounds: Visit Boston's Freedom Trail or discover Canada's maritime history along the waterfront in Halifax. And just about 10-day sailing offers a More Ashore overnight stay in French-infused Québec, Canada, where you'll have more time to stroll the scenic streets of Old Québec, a UNESCO World Heritage Site.

Coastal seafood: No visit is complete without indulging in the region's fresh seafood, from crab cakes to lobster and more. Then celebrate the day's adventures on board with

specialty themed drinks, like a Boston Cream Pie Martini or an Ultimate Bloody Mary.

Symphonies of color: Cruise to Canada & New England to see the color-drenched shores with Princess. Discover vibrant foliage on display each Fall season for awe-inspiring sightseeing and beautiful moments of reflection.

Deepen your exploration: Add a land tour to your cruise to create an immersive cruisetour. Stay overnight in historic locales like Williamsburg or Gettysburg on our Historic America itinerary. Spend more time gazing over Niagara Falls or Montréal on the Maple Explorer cruisetour.

Princess MedallionClass® Experience:

Available on all voyages. It's having whatever you need delivered wherever you are. And crew who know your name before you say a word. It's Wi-Fi that lets you stream shows and video chat.
